Rest In Peace

Robert A. Wallace
July 14, 1957

In Memoriam

God in His omnipotence and glory
Saw fit to choose from our midst
This member of our faculty
So beloved by all.
To all whose fortune it was
To have had him in class
His loss is best known.
He was gifted by his Creator
With an even disposition.
His endless sense of wit and fair play
Combined with his self respect and
Respect for others were qualities supreme.
The passing of Mr. Wallace has left a void
Which will never be filled.
We knew him to be a friend,
But greater still he was
A husband and a father.
We have been made richer by
Our association with him,
And may God find a real
Place in Heaven for him.

THIS IS THE STORY OF THE CLASS OF '58'

Step right up folks and hear about the greatest little class on earth!

Through Gate Number One we see the setting for the Freshmen year, which got this class off to a bang. This scene is directed by such able leaders as President Thomas Lee, Vice President Elaine Martini, Secretary Joan D'Orlando and Treasurer Tony DiCesare. Here we find football strongmen such as Giggie and Squatrito, and the tall men of basketball, La Bella and McCarthy. Just a minute folks, we can't forget those talented actors Binnie Levine and Bob Sullivan and of course, our fluent debators Alan Parker and Maita Robkoff. As a small example of the greatness of this class we are proud to say that thirty-five of our number received that very hard to attain Parlin "P."

Now folks, as we move on through Gate Number Two we find the setting has changed. The Sophomore year is set in that colossal building known as Everett High School. Ahh yet, our class is a little bewildered, but pulling through in our usual fighting spirit, we elect as our directors, President Thomas Lee, Vice President Ellen Sampson, Secretary Arlette Roselli, and Treasurer Nancy King. This dynamic class sends DeVivo, Elder and Sullivan to School Council. We find athletic prowess in such people as La Bella, Borrelli, and Ciulla, the football players, and Gray and Simons the basketball players. Singers? Of course! You'll find them in Gilbert and Sullivan's "Gondoliers". Our acting ability is brought forth by Alan Parker in much "Ado about Nothing."

Through Gate Three we find the setting the same but our class moves confidently and carries out stupendous feats. Because they directed our previous scene so well, we again elect Lee, President, Sampson Vice President, Roselli, Secretary, and King Treasurer. We see that Martini now joins DeVivo, Elder and Sullivan on School Council. Joel Kornitsky wins a Debating Prize, not to mention the Havard Book. Drama Night presented a technicolor foreign play called "Lute Song." starring such "Comedians" as Henderson, King, Levine and Sullivan. In football sharing the spotlight with his team mates, we see outstanding lineman, Barrelli. With the conclusion of the football season, other spirited athletes come forth to participate in basketball, baseball, and track. This is the class that helped confiscate the Christmas tree, made the Talent Show a hit, and put forth the brightest formal of the season. The Junior Prom under Chairman Martini and Secretary King's direction. We find this class also presents, "Possession" an English comedy at the Drama Festival. What a gala musical is Gilbert and Sullivan's "H.M.S. Pinafore" starring DeVivo, Bradford, and Roselli. Now, as in other scenes our versatile class proudly sends forth several talented musicians to the All-State Music Conference.

Now as we approach Gate Number Four leading to the big tent we can sense from the excitement that this is going to be a tremendous ending to an outstanding class. Immediately we see that the Senior Class is under the leadership of President La Bella, Vice President Borrelli, Secretary Roselli, Treasurer Keegan. Representing us in School Council are Elder, Bennett, Sampson, O'Donnell, and McCarthy. Our football team comes front and centre with Co-captain Borrelli and McCarthy leading other outstanding members. As for the football season, well, we had fun! Dubbling along, but not yet in the spot light we can make out the basketball team of Gray, Ellis, Simons, King, Papa, and Tannyhill. The show isn't over yet folks. Before you leave you will see a really big Christmas Dance, the romantic Senior Prom, the entertaining Gilbert and Sullivan production, the suspenseful Dramatic Club play, and of course, the Talent Show, packed full of members of our oh - so talented class. Just to add a bit of foreign intrigue we may add an Italian and French play. We can't forget to tip our hats to the people who have made our narration possible, the Year Book Staff. In June, 1958, our show will travel the tenative road of life. From all past performances, we can only predict success for every member of our cast.

FRENCH CLUB

The "Cercle Francais" under the much appreciated and able leadership of "Les Mademoiselles" Ottaviano and Gureghian enjoyed one of its best seasons and certainly its most varied. Variety is the spice of life, so many say, and our French Club this year pursued many original ideas and projects that were new, and therefore entertaining, to those who participated in them.

Attendance at French movies and operas, dining at a French restaurant, a "coffee hour," and a Christmas party highlighted the year, with talks on school and social life in France, French music, and other phases of French life adding a touch of culture, thus rounding out a well-balanced program.

The meeting, including the saluting of our flag in French, and the singing of the Marseillaise were conducted almost entirely in the language, and games played were carried on in the same manner.

Our club also took part in the Christmas assembly this year, singing several "Cantiques de Noel" and supplying a delightful bit of originality to the occasion. The year, on the whole, was quite successful, and again much thanks to our moderators.

ITALIAN CLUB

The Italian Club of Everett High School had its 20th successful season. The Club entertained the parents of the members on December 5, 1957 by putting on a demonstration class in Italian followed by musical selections by the members.

The project for the year was to locate the hometowns of the ancestors of each club member on a large map of Italy.

The members of the Club completed the year with the annual Italian Night on May 17, 1958. Two one act plays in Italian were presented.

The officers of the Club are:

President Arlette Roselli
Vice President Charles Ricci
Treasurer Charles DiPerri
Secretary Georgianna Aceto

SPANISH CLUB

Officers of the Spanish Club for the year 1957-1958 were Pres.: Gerriann Wheeler; V.P.: Theresa Muollo; Sec: Carole Scheri; Treas: Thomas Lee.

The Spanish Club participated in the Christmas Assembly program. Honorary member of the club is Pilar Cofrades, who came to Everett High from Madrid, Spain.

The Spanish Club is planning a Fiesta to be held in April, commemorating Pan-American week. The club will also sponsor a poster contest to engender enthusiasm for "Cosas hisponamericanas."

ATHLETICS

FOOTBALL 1957

THE SEASON

The outlook for the 1957 season had been dubious from the start, but little did we expect the disasterous record which befell our stalwarts.

Coach Sarno had predicted that anything could happen, but hopes were pointed toward the heavens all in vain.

The first set-back was in the loss of the veteran, Co-Captain Dan McCarthy, who was put out of action for the entire season with a broken shoulder. Next came the Asian Flu and between illness, postponed games, cancellations, and substitute opponents, we did manage to finish the season.

On a very cold night we opened against Manchester N. H. in their stadium and the boys managed to do pretty well. Co-Captain Tom Borelli played an outstanding game in the line as did Leo Ciulla and Bob Santoiani at the end spots. Len La Bella ran the team in masterful style and passed and ran well and we brought home a victory by the score of 25 to 13

Somerville, always an excellent club, was next in line. This game was played in Somerville for the first time in a long while. It was a nip and tuck affair from start to finish, but we were doomed to drop our first game by the score of 13 to 8. Again it was Borelli aided by Giggie and Golden who were standouts.

Quincy, a big team with potential greatness, was next in line. This was our first home game and a chance to show the home town what we had. This was a battle down to the last second. Quincy scored first and led 6 to 0, but with a minute and twelve seconds to go, La Bella tossed to Medugno and the score was tied. Following the kick off a desperation pass by Quincy was intercepted and the game ended with Everett on their 10 yard line.

Then came the Flu. Arlington postponed and we rested. Next came Medford and they canceled. Two weeks and no game. Then back came Arlington all worked up and inspired by their upset Victory over undefeated Weymouth. We were no match for the Spy Ponders and they hammered out a decisive 33 to 6 victory.

The following week we substituted undefeated Waltham for canceled Weymouth. This was the most interesting game of the season, from a scoring point of view. Everett more than held its own during the first half and our hopes were high for the unexpected. In the second half we ran out of steam and the boys from the Watch City took over. The final score was Waltham 32 Everett 19. Borelli, Lee, Giggi and La Bella were all standouts.

Nashua N. H., about which we knew little, gave us

a lesson the following week. We were humbled by the score of 33 to 12. That was a long and quiet ride home.

Malden and the 57th renewal of our rivalry took place in Malden. We were the underdogs, but once again during the first half we were in form. The second half started at 7 to 7, but once again the roof fell in and we wound up on the short end of a 21 to 7 score.

We wanted that final game with our ancient rival Chelsea badly. A win would take a lot of sting out of our losses, but this was not to be. A superior Chelsea team stuffed our Thanksgiving turkey with a very definite 25 to 0 defeat.

Our season was not good but in defeat there is victory, for the lessons of life are not always in victory but in what we learn by our mistakes.

We are proud of our coaches, proud of our team, and proud of our classmates on the team.

BASKETBALL 57-'58
THE SEASON

The 1957-58 basketball season got underway with Chelsea, our first opponent. Our tall and somewhat anxious team at once gained the lead and kept it throughout, to win 61-41. The boys, especially with height they have this year in Flint, Ells, Tannyhill, King, Papa, and Gray, played a terrific game. The defense was good and not many got by Simons, Ball, or Russo.

The big game of the season was next, and we traveled to Somerville to meet our traditional rival. It was Friday the 13th and our luck just wasn't with us. We were ahead throughout the game but in the final quarter they gave us a rough time. In the last five seconds Somerville scored and won 54-53. It was a heartbreaker but a well-played game on the part of both teams.

Next we went to Quincy where we were to meet a fairly strong team. Good team play and standouts such as Ells, Flint, and Simons, helped keep them trailing us. We won 64-54 and a happy team returned to Everett.

The Everett - Lowell game and another victory! The score --a high 81-51! Quite a game!

On to Weymouth where we were to meet a strong 1st place team which had no losses on its record-so far! But they hadn't played Everett yet! We took this game by a score of 52-47 and the high scorers for the night were Gray and Flint.

Our next victim was Revere who fell by a score of 74-40 on our home court. It was a good game and baskets were made left and right-by Everett of course!

On to North Quincy and our fast moving basketball team took another game by the score of 63-34. Our defense gets better all the time! Gray and Ball were top scorers for the night, each with 14 points.

We traveled to Malden, our long-time rival, and there gained another victory to add to our ever growing list. The score 63-56.

Another game with Chelsea which promised to be the same as the first one, was. We came out on the top of a 77-58 score.

Next the second and probably one of the most exciting games with Somerville ever played. The boys were quite nervous and got behind in the first. They made a thrilling come back but didn't quite catch up and Somerville again beat us by a score of 69-65.

Determined to keep our record from being marred by any more losses, the team plunged into the next game with Quincy with great enthusiasm and won by a score of 58-55.

On to Medford and of course again good news. Steve Flint got baskets left and right and was as usual sensational at the foul line. Billy Ells was also great that game. The score--71-42!

Baskets, baskets, and more baskets! Quite a bit of action was seen in offensive play in the Lowell-Everett game and the score was a high 84-47. Who won? What a question!

A fairly strong Weymouth team invaded our territory next, but couldn't hold the Everett team down. They went home sad, while we celebrated another win with the score of 54-31.

Our last away game of the season was at Revere and the score rose high. At least ours did! Victory 85-53.

77-49 was the result of the next game with North Quincy. High scorers were Gray and Ells and the defensive work was wonderful.

Malden again and our last league game. The score 81-59. Once Everett got out in front they stayed there.

At the conclusion of the regular season we were invited to participate in the Tech Tourney in Boston Garden.

Our trial run found us dumping New Bedford by the score of 76-52.

In the quarter finals we were caught nappin and Lynn English tipped us over by the score of 60-52.

To coach Putnam and his boys congratulations on a job well done.
